

CYBER SEMINAR FOR PARENTS

Check out the latest online trends!

Date: Thursday March 27th, 2014 @ 7:30 p.m.

Location: Oxford Town Hall Meeting Room.

20 Minutes - Demo

Watch the Technical Investigation Unit explore the world wide web and show you some of the latest and greatest trends online, and how online content is changing. See how apps work, and which websites are emerging with each demographic of children.

30 Minutes - Question and Answers

Our panel will consist of a technical investigator, child advocate, educator, and representative from the States Attorney's office. We will be available to answer and address any questions you may have.

Proudly Sponsored by Oxford P.T.O. and the Oxford B.O.E.
